NOTICE.—The Board of Revenue having, in communication with the Chamber of Commerce, deemed it expedient to revise the system at present in force for weighment of Salt on board ship, the following Rules are published for general information, to have effect from the 13th instant:

1st. Choppadars for the purpose of weighment of Salt on board ship will be furnished only by the authorized Salt weighman attached to the Custom House.

2nd. The rate of payment for the Choppadars is for the present fixed at 3 Rupees per 100 maunds weighed: to secure which payment, on the entering of a Salt-laden vessel at the Custom House, the Owner or Consignee of the Salt will be required to make a deposit in cash, calculated at the above rate on the full manifested quantity, and also a thousand maunds in addition to cover possible excess out-turn, and until such deposit be made, no entry for Salt on board such vessel will be admitted.

3rd. The presentation of the official receipt for that deposit will be sufficient authority to the Salt weighman to furnish Choppadars and Khyals on requisition duly made to him in writing.

4th. When the weighment of Salt on board any ship has been completed, the Salt weighman will present his Bill to this Office for the work done; which Bill must be countersigned as correct by the Superintendent of Calcutta Salt Chowkies, under whose immediate supervision and control the Salt weighman's Office is placed; the Deposit will be adjusted accordingly and the balance returned to the Depositor.

5th. Salt weighing during extra hours is grantable only on the requisition of Commanders or their known Agents, who must be prepared to abide by the Rules in force for such extra work.

By order of the Board of Revenue, Fort-William,
the 5th May, 1853,

A. R. YOUNG,

Offg. Junior Secretary.

NOTICE.—The Board of Revenue having, in communication with the Chamber of Commerce, deemed it expedient to revise the system at present force for weighment of Salt on board ship, the following Rules are published for general information, to have effect from the 15th instant:

1st. Choppadars for the purpose of weighment of Salt on board ship will be furnished only by the authorized Salt weighman attached to the Custom House.

2nd. The rate of payment for the Choppadars is for the present fixed at 8 Rupees per 100 maunds weighed: to secure which payment, on entering of a Salt laden vessel at the Custom House, the Owner or Consignee of the Salt will be required to make a deposit in cash, calculated at the above rate on the full manifested quantity, and also a thousand maunds in addition to cover possible excess out-turn, and until such deposit be made, no entry for Salt on board such vessel will be admitted.

3rd. The presentation of the official receipt for that deposit will be sufficient authority to the Salt weighman to furnish Choppadars and Khyals on requisition duly made to him in writing.

4th. When the weighment of Salt on board any ship has been completed, the Salt weighman will present his Bill to this Office for the work done; which Bill must be countersigned as correct by the Superintendent of Calcutta Salt Chowkies, under whose immediate supervision and control the Salt weighman's Office is placed; the Deposit will be adjusted accordingly and the balance returned to the Depositor.

3th. Salt weighing during extra hours is grantable only on the requisition of Commanders of their known Agents, who must be prepared to abide by the Rules in force for such extra work.

Collector of Customs.

And all sums of money realized by the sale of postage stamps shall be brought in the public accounts to the credit of the Post Office.

XXIX. The Governor General of India in Council, or any of the local Governments may appoint Government venders of postage stamps, and may make rules for the regulation of such venders of stamps, and thereby direct how and under what terms and conditions postage stamps may be supplied to them for sale; and whether any and what security shall be given by such venders, and whether any and what remuneration or discount shall be allowed to them, and how and in what manner and at what time or times such venders shall keep and render their accounts and pay over the proceeds of any sales made by them or re-deliver the stamps intrusted to them.

XXX. If any person so appointed a vender of stamps shall accept the appointment he shall be bound by such rules, and in case of any wilful breach thereof shall be liable to a penalty not exceeding two hundred rupees, in addition to any other proceedings to which he may be liable.

XXXI. XXXII. Any person so appointed vender of stamps convicted of taking from a purchaser a higher price than that denoted on the stamps sold, shall be deemed guilty of extortion, and shall be punished, on conviction, with imprisonment, with or without hard labor, for any term not exceeding six months, or to a fine not exceeding one hundred rupees, and shall also be liable to refund to the purchaser the whole amount proved to have been taken in excess, which amount may be recovered by such purchaser before a Magistrate in the same manner as any penalty under this Act.

XXXIII. If any person shall forge or counterfeit, or cause or procure to be forged, or counterfeited, any die, plate or other instrument which shall be used for the purpose of making any stamps which shall be provided as aforesaid; or if any person shall forge or imitate, or cause to be forged or imitated, any stamp or stamps which shall be provided as aforesaid; or if any person shall knowingly and without lawful excuse (the proof of which excuse shall lie on the person accused) have in his possession any false, forged or counterfeited die, plate or other instrument resembling or intended to resemble, either wholly or in part, any die, plate or instrument that shall be used for the purpose aforesaid; or if any person shall stamp or mark, or cause to be stamped or marked, any paper or other substance with any such false, forged or counterfeit die, plate or instrument as aforesaid; or if any person shall knowingly use, utter, sell, or expose for sale, or cause to be used, uttered, sold or exposed for sale, or shall knowingly and without lawful excuse (the proof of which excuse shall lie on the person accused) have in his possession any paper or other substance having thereon the impression of any such false, forged, or counterfeit die or other instrument as aforesaid; or having thereon any counterfeit stamp resembling or intended to resemble, or be mistaken for the stamp or stamps which shall be provided as aforesaid; then and in every such case every person so offending, and every person knowingly aiding, abetting or assisting any person in committing any such offence, shall be punished with imprisonment with or without hard labor, for a term not exceeding seven years, and shall also be liable to fine.

XXXIV. If any person shall fraudulently remove or cause to be removed, from any letter, newspaper, or other cover or paper any stamp or stamps provided and used as aforesaid, with intent to use or place such stamp or stamps with or upon any other letter, newspaper or other cover or paper, or otherwise to dispose of the same; or if any person shall knowingly use or cause to be used any such stamp or stamps so fraudulently removed; or if any person shall fraudulently erase or remove, or cause to be erased or removed, from any such stamp or stamps any writing or other matter or thing thereon written or impressed, with intent to use any such stamp or stamps; every person so offending shall forfeit two hundred rupees for every such offence.

XXXV. In all cases, except that of letters and packets posted for despatch to any place beyond the territories under the Government of the East India Company, it shall be optional with

parties sending any letters or packets by the post, to forward the same free of postage by means of a proper stamp or stamps placed or affixed thereon in the manner hereinbefore provided; or to forward them unpaid, or in the case of parcels only, to prepay the postage in money. But no money shall hereafter be received at any Post Office in prepayment of postage on any letter, newspaper or other printed or engraved paper forwarded by the post. Provided that nothing in this Section shall be construed to require the prepayment of British packet postage on letters or packets upon which the prepayment of such postage has been left optional by Her Majesty's Post Master General.

XXXVI. It shall be lawful for the Governor General of India in Council at any time to withdraw either wholly or in part the option allowed by the preceding Section of this Act; and to direct that all or any letters, packets or parcels shall not be forwarded by post unless the postage thereof shall be prepaid by means of a proper stamp or stamps, or to charge on all letters, packets or parcels on which the postage shall not be prepaid, or which shall not be duly and properly stamped, such higher rates of postage than would otherwise be payable, as from time to time be deemed expedient.

XXXVII. The person to whom any letter or packet, the postage of which has not been paid, may be delivered, shall not be bound to pay the postage if he return the same unopened, but if he open the same he shall be bound to pay the postage due thereon. If he return the same unopened, the sender of the letter or packet shall be bound to pay the postage thereof. If any person shall refuse to pay any postage which he is legally bound to pay for any letter or packet, the same may be recovered by any Post Master General, or any Officer in charge of a Post Office, for the use of the East India Company, in the same manner as a fine recovered under this Act, and it shall be lawful for the Officer in charge of any Post Office to withhold from the person so refusing, until such postage be paid, any other letter or packet addressed to that person not being superscribed as on the public service.

XXXVIII. In case it be deemed expedient that any letters or other packets should be registered at the Post Office, it shall be lawful for the Governor General in Council to direct that in addition to any rates of postage payable under this Act, a fee not exceeding four annas shall be charged on any such letter or packet; and such registration fee shall be paid on the letter being put into the Post Office.

XXXIX. It shall be lawful for the Governor General of India in Council to fix and order any rate of postage to be charged for the conveyance of letters and packets by express, in addition to or instead of any other rates of postage chargeable on such letters and packets under this Act.

XL. When any Vessel arrives by sea at any place within the territories under the Government of the East India Company at which there is a Post Office, the Commander of such vessel shall as speedily as possible cause every letter

and packet on board of such vessel, which is directed to that place, and not excepted from the exclusive privilege of the Post Office, to be delivered either at the Post Office, or to some Officer of the Post Office authorized to receive the same. And if there be on board any letter or packet directed to any other place, and not excepted from the exclusive privilege aforesaid, the said Commander shall as speedily as possible report the same to the Post Master of the place at which he has arrived, and shall act according to the directions he may receive from such Post Master, and the receipt of such Post Master shall discharge such Commander from all responsibility in respect of such letter or packet. Every

Penalties. Commander of a vessel who shall wilfully disobey any of the directions contained in this Section, shall be punished with a fine not exceeding one thousand rupees.

XLI. Every person, being either the Commander of a vessel inward bound, letters on board or any one on board such vessel prohibited, who shall within the said territories knowingly have in his possession any letter not excepted from the privilege of the Post Office after any part of the letters on board the said vessel shall have been sent to the Post Office, shall forfeit for every such letter fifty rupees, whether the letter be in the baggage or on the person of the offender or otherwise in his custody. And every such person who shall detain any such letter after demand made for the same by an Officer of the Post Office, shall forfeit for every such letter one hundred rupees.

XLII. For every letter or packet delivered by the Commander of any ship in conformity with the directions of Section XL of this Act, the Officer in charge of the Post Office shall pay to the said Commander the sum of one anna. Provided that no payment shall be made to the Commander of any vessel on account of the delivery of any letter or packet unless the claim of such commander shall be preferred before the vessel leaves the place at which the letter or packet was delivered, or before the expiration of two months from the date of the arrival of such vessel.

XLIII. The Commander of every vessel leaving any place in the said territories by sea, shall receive on board of such vessel every letter and packet which he shall be required so to receive by any Officer of the Post Office, and shall give a receipt for such letters or packets. At intervals of not more than three months, the said Post Master General shall publish in the official Gazette of the Presidency, or in such other manner as shall be directed by the Governor General of India in Council, lists of all such unclaimed letters and packets of which the addresses are written in the English lan-

guage or character. Every letter and packet which shall have remained eighteen months unclaimed in the office of the Post Master General of any Presidency, shall be opened by the said Post Master General; and if any money shall be found therein it shall be paid into the public treasury, and if any other valuable property, it shall be sold, and the proceeds of the sale paid in like manner into the public treasury for the benefit of any person who may have a right thereto, after deducting all sums due from such person for postage. And when one year shall have elapsed after such letter or packet has been opened, it shall be lawful for the Post Master General, if it be still unclaimed, to destroy it.

XLV. Letters or packets rejected unopened by the person to whom they are addressed shall be forthwith sent to the office of the Post Master General of the Presidency and by him opened and destroyed. XLVI. On and after the passing of this Act, the privilege of sending and receiving letters and packets by the post free of postage, whether official or otherwise, shall wholly cease; and all letters and packets to which any such privilege now extends shall henceforth be charged with the same rates of postage as any other letters sent by the post. Provided that letters and packets on the public service, certified to be such by the signature of any public officer, now or hereafter authorized by the Governor General of India in Council, or by the local Governments respectively in that behalf, shall be forwarded by the post as if they were duly stamped, and the postage due thereon shall be charged to the several public departments, from which such letters or packets are sent, in such manner as the said Governor General of India in Council shall direct.

No. 425 of 1853.—The Most Noble the Governor General in Council is pleased to establish the following rules regarding the medical charge of soldiers and of the families of European Cavalry and Infantry Regiments left in Depot when Corps proceed on field or on foreign service.

2. For every European fighting man left in such Depot, and under the care of a Medical Officer, head money at the usual rate of twenty-five Rupees per 100 men monthly will be allowed.

3. For medical charge of such Depôts, which may contain less than one hundred (100) women and children, no allowance on account of these women and children will be admissible.

4. For charge of Depôts numbering less than six hundred (600) souls, but comprising 100 or more than that number of women and children, head money at the rate of Rupees (12-8-0) twelve and eight annas, per hundred women and children per mensem will be allowed. But should such a Depot be assigned as an additional charge to a Surgeon or Assistant Surgeon in receipt of staff salary with a Native Regiment, he will be permitted to draw head money at the above rate for such only of the women and children as may remain after completing from the numbers in Depot any deficiency in the established complement of his original charge.

5. When a Depot exceeds the complement specified in the 4th para. of this regulation, it will form a separate medical charge and a consolidated medical staff salary of Rupees (165) one hundred and sixty-five will be allowed to the Assistant Surgeon who may be specially appointed to the Depot.

6. If European recruits, or other soldiers, or women and children belonging to European Corps, not absent on field or foreign service, be placed under the Medical Officer in charge of any of the Depôts above described, they will not be considered as parts of such Depot, or as coming within the provisions of this order, but will yield head money to the Medical Officer, for the fighting men only.

Medical Officers of Artillery, who receive staff salary under Government General Order, No. 580, of 24th September 1852, will afford medical aid to men and families left in Depot by any European Troops or Companies of Artillery quitting their divisions on field or on foreign service. For this duty head money at the usual rate for European fighting men left in Depot will be granted, but no allowance will be made for attendance on the women and children.

If however under that Government General Order, the departure of such Troops or Companies deprives Medical Officers of Artillery of their medical staff allowance, the general rules contained in the second, third, fourth and fifth paragraphs of this regulation will be held applicable to them.

Revised Rules for Bonding Salt passed by the Board of Revenue L. P. in their letter to the Collector of Customs, No. 434, of 29th March, 1853, and published for general information.

I. Parties desirous of bonding imported Salt in private Warehouses, may apply to Collector of Customs for a License in the form C. appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's Report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a License will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein under the restrictions provided by the Act in respect of any other article of Merchandise bonded in a private Warehouse.

II. Warehouses licensed for the reception of Salt under Bond, will not be available for goods of any other description.

III. A portion of the Government Golahs at Sulea has been set apart as a public Warehouse for the reception of Salt on the same terms at a fixed rent, and will continue to be available for that purpose until required by Government.

IV. All weighing transport and storage charges will be borne by the Bonder, as also all delivery charges on the Salt being cleared out from Bond.

V. The Salt will be weighed over the Ship's side, for which purpose weighmen will be furnished from the Custom House on requisition from the Bonder, and on his complying with the forms lately prescribed by the Board their remuneration at the rate of 3 Rupees p. 100⁰ maunds.

VI. The Bonders will be required to make use of covered boats, and to provide wax and tape for sealing the hatches. Each boat will be sealed by the Preventive Officer on board, and be furnished at the same time with the usual Boat Note, specifying the quantity placed under Seal. [Vide Notification in "Exchange Gazette" of the 11th May, 1853.]

VII. Bonded Salt will be stored under the supervision of an Officer deputed for this purpose by the Collector of Customs or the Superintendent of the Government Golahs, and it will be the duty of such Officer to receive and examine the Boat Notes, and to see, that the Seals of the hatches are entire. The Salt will not be weighed into Warehouse, but in other respects the precautions in use for storing Government Salt will be observed.

VIII. The Superintendent of the Government Golahs will Report for the Board's sanction such disbursements as may be necessary for preparing Golah accommodation, or for Extra Establishment, on account of Salt Warehouse in the Golahs, all of which will, after audit, be charged to the fund derivable from Golah rents.

IX. Any Extra Establishment that may be necessary for the surveillance of Salt lodged in private Warehouses, both while it remains in Bond and on delivery, must be paid by the Bonder.

X. In settling for duty on the clearance of Salt warehoused in the Government Golahs, a deduction will be allowed on account of wastage, at a rate not exceeding two and a half per cent. upon the quantity delivered over the Ship's side. Provided, however, that if the Collector of Customs have reason to believe, that any portion of the Salt has

been clandestinely or fraudulently removed, he will be at liberty to levy duty on the entire quantity so delivered.

XI. For Salt deposited in private Warehouses, the duty will be settled on the quantity weighed over the Ship's side, according to the provisions of Section XVIII. Act XXV. of 1836.

XII. Parties desiring to Bond Salt, who may be unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under Bond, will be allowed, as before, to Warehouse their Salt under the Rules of the 28th September, 1841.

Revised Rules for Bonding Salt passed by the Board of Revenue L. P. in their letter to the Collector of Customs, No. 234, of 29th March, 1853, and published for general information.

I. Parties desirous of bonding imported Salt in private Warehouses, may apply to Collector of Customs for a License in the form C. appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's Report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a License will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein under the restrictions provided by the Act in respect of any other article of Merchandise bonded in a private Warehouse.

II. Warehouses licensed for the reception of Salt under Bond, will not be available for goods of any other description.

III. A portion of the Government Golahs at Sulkea has been set apart as a public Warehouse for the reception of Salt on the same terms at a fixed rent, and will continue to be available for that purpose until required by Government.

IV. All weighing transport and storage charges will be borne by the Bondor, as also all delivery charges on the Salt being cleared out from Bond.

V. The Salt will be weighed over the Ship's side, for which purpose weighmen will be furnished from the Custom House on requisition from the Bondor, and on his complying with the forms lately prescribed by the Board for their remuneration at the rate of 3 Rupees per 1000 maunds.

VI. The Bondors will be required to make use of covered boats, and to provide wax and tape for sealing the hatches. Each boat will be sealed by the Preventive Officer on board, and be furnished at the same time with the usual Boat Note, specifying the quantity placed under Seal. [Vide Notification in "Exchange Gazette" of the 11th May, 1853.]

VII. Bonded Salt will be stored under the supervision of an Officer deputed for this purpose by the Collector of Customs or the Superintendent of the Government Golahs, and it will be the duty of such Officer to receive and examine the Boat Notes, and to see, that the Seals of the hatches are entire. The Salt will not be weighed into Warehouse, but in other respects the precautions in use for storing Government Salt will be observed.

VIII. The Superintendent of the Government Golahs will Report for the Board's sanction such disbursements as may be necessary for preparing Golah accommodation, or for Extra Establishment, on account of Salt Warehoused in the Golahs, all of which will, after audit, be charged to the fund derivable from Golah rents.

IX. Any Extra Establishment that may be necessary for the surveillance of Salt lodged in private Warehouses, both while it remains in Bond and on delivery, must be paid by the Bondor.

X. In settling for duty on the clearance of Salt warehoused in the Government Golahs, a deduction will be allowed on account of wastage, at a rate not exceeding two and a half per cent. upon the quantity delivered over the Ship's side. Provided, however, that if the Collector of Customs have reason to believe, that any portion of the Salt has

been clandestinely or fraudulently removed, he will be at liberty to levy duty on the entire quantity so delivered.

XI. For Salt deposited in private Warehouses, the duty will be settled on the quantity weighed over the Ship's side, according to the provisions of Section XVIII. Act XXV. of 1836.

XII. Parties desiring to Bond Salt, who may be unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under Bond, will be allowed, as before, to Warehouse their Salt under the Rules of the 28th September, 1841.
